Let's Write

Dear Grandpa

How are you? I am fine. I am writing this letter to tell you about a story which I read in school yesterday. It is about an ugly girl who was disliked by her father and her beautiful sister. Her father always painted her sister's beautiful face. The ugly girl wept alone. One day her mother took her single tear and placed it in the garden. After a few days a beautiful flower grew there. Everybody admired the beautiful flower but the beautiful sister was jealous. One night when all were asleep, she grasped the flower and destroyed it. The next morning the ugly girl saw the flower missing and started weeping. She told her sister that she wanted to gift the flower to her on her wedding so that she could wear it as a brooch of exceeding beauty. The beautiful sister was astonished by her sister's love and decided to wear a veil over her face until she learned the same inward beauty shown by her sister. Write me if you liked the story. Give my love to grandma.

Yours lovingly
