**ENHANCED
EDITION**

Class IV

1. Cheerfulness

- A. 1. (b) 2. (a) 3. (a)
- B. As you travel on life's way,
With its many ups and downs;
Remember – it's quite true to say,
One smile is worth a dozen frowns.
- C. 1. I like my best friend's smile the most.
2. We should smile to forget all our troubles and to overcome our sadness.
3. Smile helps to overcome our sadness.
It makes us feel better.
4. A smile is equal to a dozen frowns.
5. The cost of one smile is a dozen frowns.

2. Trees and their Dreams

- A. 1. (a) 2. (b) 3. (c)
- B. 1. mighty, kings, queens
2. tallest, straightest, heaven, God
3. three trees
4. wished, treasure chest, gold, silver, gems
- C. 1. F 2. T 3. T 4. T
- D. 1. The first tree wished that it would become a treasure chest filled with gold, silver and precious gems.
2. The second tree wished to be a mighty ship which would take kings and queens across the waters and sail to the corners of the world.
3. The third tree wished to grow to be the tallest and straightest tree in the forest so that people would see it on top of the hill and look up to its branches and think of the heaven and God.
4. The wish of the first tree was fulfilled when Jesus was placed in the feed box prepared from its wood. It had held the greatest treasure of all times.
The wish of the second tree was fulfilled when it has carried the king of kings i.e., Jesus in its boat.

5. The wish of the third tree was fulfilled when it stood at the top of the hill and was close to God as possible because Jesus had been crucified on it.

Vocabulary Builder

3. Ali Baba and Forty Thieves

Think & Answer

- A. 1. (a) 2. (c) 3. (a)
- B. 1. F 2. F 3. T 4. T 5. F
- C. 1. Ali Baba was a poor woodcutter who discovered how to open the secret cave containing the treasure owned by a gang of forty thieves.
2. The captain says open sim-sim! loudly to the door of the cave.
3. After the thieves went away, Ali Baba went near the door of the cave and said open sim-sim! The door opened and Ali Baba entered the cave.
4. Ali Baba found a lot of jewels and precious coins inside the cave.
5. When Ali Baba tells Kassim about the cave and the secret of gold coins, Kassim also reaches the cave door with sane donkeys and big boxes. He says open sim-sim and the door opens. He goes inside and fills the boxes with jewels and coins. But, he forgets the word sim-sim. Meanwhile the thieves come and get angry on seeing Kassim and they kill him.
6. When Marjina came to know that the thieves had come to kill Ali Baba and they were hiding inside the jars, she puts burning oil inside the jars at midnight and kills all the thieves. Next morning the captain orders his men to come out and kill Ali Baba. He finds each one dead and runs away. In this way Marjina saved Ali Baba.

Let's Write

Once four friends were returning from school. They were travelling by a DTC bus. Four of them were sitting on the back seat of the bus. The bus stopped at Preet Vihar and man entered in the bus. This man looked somewhat different. All four of them looked at each other. The man sat beside them. A lady was standing. The friends offered her the

seat but she refused saying that she had to get down at the next stop. The lady was talking on the mobile phone when suddenly the man sitting next to the boys snatched her phone and tried to get down of the moving bus. All four of them got up immediately. One of them hit his legs and the other held his hands, one snatched back the phone and one tied his school neck tie tightly around his neck. By the time the police came and caught him. The lady thanked the boys.

11. The Colour of Light

Think & Answer

- A. 1. (a) 2. (c) 3. (b) 4. (b) 5. (a)
- B. 1. When it rains, the sun's rays pass through raindrops. Since the raindrops have many sides or surfaces, the rays split up into a beautiful shade of different colours. And we see a rainbow – violet, indigo, blue, green, yellow, orange and red.
2. The number of up (crests) and downs (troughs) of wave crossing a particular point in one second is called the frequency of the wave.
3. The distance between one crest and another and one trough and another is called its wave length.
4. If the water is clear, the red and yellow wave lengths of light are absorbed, leaving only blue – green light to be scattered back. This is why clear seas appear blue.
5. The coloured light rays have different wave lengths which form an array called the light spectrum.
6. There are two reasons why we see a particular colour and not another. It depends on the material on which light falls. Another reason is how the eyes see the colour.

Vocabulary Builder

- A. Do yourself.
- B. 1. The kite was flying high in the sky.
2. Take both syms of equal measure and mix it.
3. I am happy to know that my friend is selected for the dance competition.
4. The waves were very high.
5. We must keep faith in God.
6. I enjoy the company of my friends.
7. I desire to be a millionaire one day.
8. A few positive words can turn despair into hope.

Let's Write

Rainbow

Rainbow appears in the sky after the rain. It is a long wide band of seven colours. It forms a semicircle from one end of the earth to another. The seven colours of the rainbow are violet, indigo, blue, green yellow, orange and red. It is a believe that if a rainbow appears after the rain it is an indication that there will be no more rains.

Dear Saheb

How are you? I am fine here. This year I wish to spend summer vacation with you. Please come and stay with us. We will have lots of fun. Mom has promised to take us to the water park. We will play video games. Mom will cook tasty food for us. Please do come. Give my regards to mom and dad.

Your loving friend

Keshav

F. A lion lived in a forest. He was once sleeping under a tree after a heavy meal. A mouse came and it happened to move over the lion. The lion got up angrily. The mouse trembled with fear. The lion was angry and he was about to kill the mouse. The mouse begged the lion to leave him. He promised the lion that he will help him some day. The lion laughed at him and said "How a small creature like you can help me". The lion finally allowed him to go. After some days a hunter came in the forest. He lay net for the lion. The lion was caught in the net. He roared loudly. The mouse heard the lion's roar and came out of its hole. It nibbled the net and freed the lion. The lion thanked the mouse and they became good friends.

 2. The planets move around the sun.

E. **The Great India**

India is one of the famous countries of the world. We as citizens must know about its history, struggle, culture and all other important things. It has diversity in culture, food, dress and many other things. It is surrounded by three big water bodies. The Indian Ocean in the South, the Bay of Bengal in the east and Arabian sea in the west. India is the biggest democracy in the world. It is a land where great people like Ashoka, Akbar and Aryabhata were born.

Dear Father

I am fine and hope the same with you. My school has reopened. I want to buy some of the helping books which we did not get last time. Now they are available in the market. Please send me money as early as possible so that I can start my studies.

Everyone is fine and we miss you a lot. Please write to us when you will be back.

Your loving daughter
